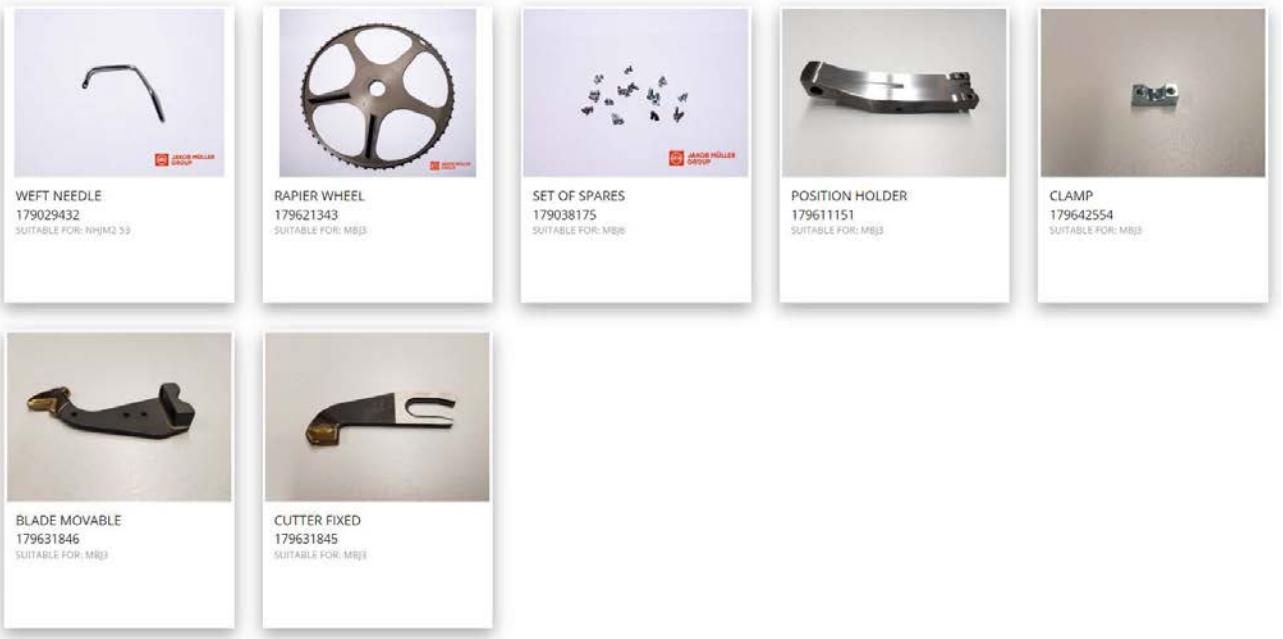
PARTS OF
THE MONTH



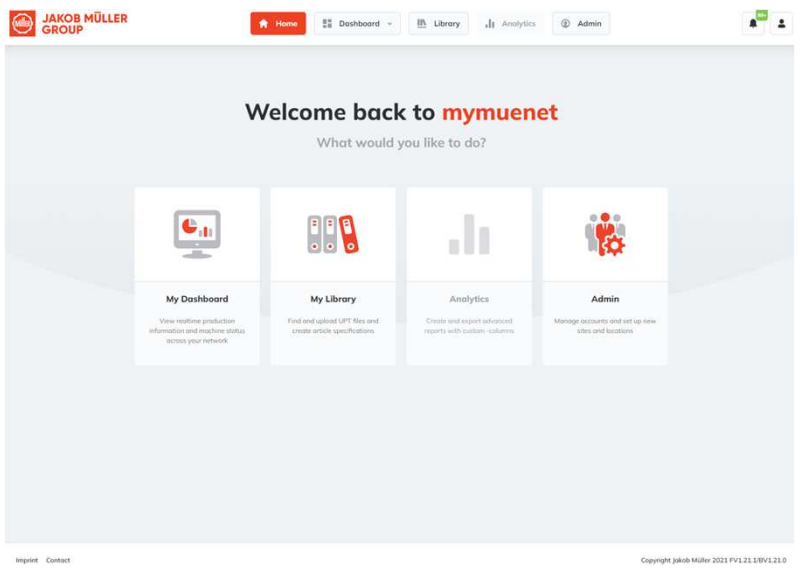
JAKOB MÜLLER GROUP

Designing the digital future!

mymuenet®- the gateway to Industry 4.0 with OPC/UA interface

Performance monitoring and data management

- ☐ Clear and transparent overview on production locations and machines
- ☐ Settings adopted to user's individual requirements
- ☐ Efficient order and production planning
- ☐ Machine performance always at optimum level
- ☐ Setting of alert notifications - immediate intervention – no unnecessary loss of production
- ☐ Safe and protected environment based on an integrated process



JAKOB MÜLLER GROUP

Sustainability – we care!

Sustainability – we care!

Our approach

Our sustainability standpoint

As market leader we enable our customers sustainable value creation.

We stand for resource conservation and sustainability and live according to these principles.

JAKOB MÜLLER GROUP

Sustainability – we care!

Our approach

One example of contribution within our organization

Our own contribution to sustainable value creation with economically reasonable, well-considered measures

Resource-saving production

JAKOB MÜLLER GROUP
