South Asia's highly successful Intex trade fair is back in Bangladesh in 2023. The 11th Intex - Bangladesh Edition will be held from 22-24 June 2023 at the International Convention City Bashundhara (ICCB), Dhaka.

Mr. Golam Dastagir Gazi, the Hon'ble Textiles & Jute Minister, Govt. of Bangladesh, has given his consent to inaugurate this international textiles sourcing show on 22 June 2023. This will be the 4th time the Hon'ble Minister will inaugurate the Intex edition in Bangladesh in the presence of senior government officials, diplomats, industry stalwarts and more.

Ms. Arti Bhagat, Executive Director, Worldex India and organiser of the Intex shows in South Asia stated, "Currently, Bangladesh is in the process of shifting its production base to high-end, value-added garment items. India, as the major supplier of raw material across the entire value chain ranging from cotton to man-made fibres, dyes & chemicals, and many more, facilitates Bangladesh's pursuit of the next level of growth with high-value added apparel including manmade fibre-based garments. This upscaling highlights the potential for growing trade synergies not only between India and Bangladesh but between Bangladesh and the world."

Since 2019, Intex Bangladesh has successfully connected 9000+ Bangladeshi textiles and RMG manufacturers with 500+ manufacturers and suppliers for facilitating sourcing requirements for exports and domestic markets. Today, Intex has become the annual calendar event for Bangladesh's Textile & Apparel industry, assisting the industry to upscale their "Made in Bangladesh" products and attract global buyers to source from a wide variety of textile and apparel products from Bangladesh.

This year, Intex will witness domestic & international suppliers from India, Bangladesh, Sri Lanka, Russia, Belarus, China, Hong Kong, Taiwan, Indonesia, Switzerland, UK, USA and others to exhibit and showcase their innovative and sustainable textile products, services and solutions to Bangladesh's textiles and apparel industry.

Alongside the exhibition, Intex will host the Interactive Business Forum Seminar Series which will be managed by the Textile Focus Magazine. The Interactive Business Forum Seminar Series will feature panel discussions on contemporary subjects such as 'Sustainability in Textile Industry - Reality vs Challenges' and 'Innovation & Product Diversification Ways to Move Forward for Bangladesh'.

WGSN, the global authority on trend forecasting will present a session on 'Sustainable Fashion' at the Forum. The Business Forum will be held on 22nd and 23rd June 2023, followed by Hi-Tea and Networking reception.

The Indian Pavilions have been formed under the aegis of the Ministry of Commerce & Industry, Government of India through The Cotton Textiles Export Promotion Council (TEXPROCIL) and The Powerloom Development & Export Promotion Council (PDEXCIL) which will showcase cotton and non-cotton based textiles, trims and accessories at 2023 Intex Bangladesh.

Intex Bangladesh is endorsed by the Bangladesh Garments Manufacturers & Exporters Association (BGMEA) as Strategic Partner along with the Bangladesh Knitwear Manufacturers & Exporters Association (BKMEA) and the Bangladesh Garment Buying House Association (BGBA) as trade partners. Intex is supported by the India-Bangladesh Chamber of Commerce & Industry (IBCCI), Bangladesh Apparel General Managers' Association (BAGMA) and Bangladesh Merchandiser & Supplier Association (BMSA).

Intex South Asia Bangladesh is the gateway to explore new business opportunities in South Asia and across the world and we look forward to welcoming textile and garment manufacturers, exporters, sourcing and buying offices of international brands and retailers, textile importers, domestic apparel brands and fashion labels in Bangladesh and other international markets at Intex Bangladesh 2023.
