Fifty Degree launches Men’s T-shirt collection for Indian customers

Fifty Degree, a flagship brand of V3 Exports’ who recently entered into Indian market, today introduces its stylish men’s T-shirts collection for Indian customers.

Fifty Degree specializes in men’s T-shirts in four categories - formals, basics, sports and casuals (T-shirts and Polo’s) and gives a classic yet versatile staple that could take customers from street wear to lounging at home, to even the most high-powered board room meeting. The brand has an array of basic solid t-shirts that are crafted to help patrons go effortlessly from day to night without compromising on their style or quality.

Crafted with quality and simplicity, t-shirts are anti-pilling, shrinkage controlled, sweat absorbent; anti-static processed and has a smart and comfortable fit. Fifty Degree’s t-shirts are made with super combed cotton yarn and soft flow dyed for superior colour fastness.

The new T-Shirt collection starts from 999
