

THE ITALIAN SUMMER.

**GLORIFIED BY CINEMA, MUSICIANS, AUTHORS, ARTISTS,
MASTER -CHEFS AND ZODIAC.**

The deep reds of Chianti Country. The crisp blues of the Amalfi Coast. The emerald greens of Sicily. The sun-drenched yellows of Capri.

Immortalized in Cinema. Glorified in song. Praised in prose.

And beautifully captured by Zodiac in its Spring/Summer 2019 Collection – VIVACE.

Derived from the Italian term which means “lively”, VIVACE brings alive the colors of Italian summer in this unexpected vibrant collection. Evoking the spirit of travel which is at its very heart.

Distinctive, bold stripes. Checks, reinterpreted. The sumptuous Egyptian Giza 86 cotton, woven to a single 60s yarn of an unusually long fiber length, with an exceptionally luxurious Silk Touch hand feel (a result of the Zodiac trademark “Silk Protein Finish”). And the legendary Zodiac attention to detail, make this a must-have summer acquisition in every gentleman’s wardrobe.

Best enjoyed with Zodiac’s classic chinos, linen jackets, bright pochettes, full grain leather belts and the ubiquitous double espresso. Or a lemon granita, if the temperature decides to play up.

The shirts in this vibrant, Italian collection are priced at Rs.2999/-
