

ZDHC Hosts Sustainable Chemical Management Conference
Focused on Indian Domestic Apparel Sector

As part of its regional activities, the ZDHC Foundation will host a conference with the theme “Anchoring the ZDHC Programme in the domestic apparel industry” on 10th of December 2019 at The Courtyard Marriott in Mumbai, India.

The conference will highlight the issue of safe chemical usage in supply chain of Indian domestic apparel brands and will create awareness of the ZDHC Programme by experience sharing from stakeholders in the apparel and textile sector through presentations and panel discussions. It’s really a great opportunity for you to understand ZDHC Programme, current development status, and the future trends and strategy relating to it in the Indian domestic apparel sector context.

Main Topics of The Conference:

- Product Safety – Indian regulations & enforcements
- Leveraging sustainability and chemical management for growth and market differentiation in the fashion business.
- Chemical management in the apparel value chain: perspectives from brands & chemical industry.
- How can the chemical industry offer sustainable products to the textile industry?
- Success stories in implementing best practices in chemical management

Conference Key Details:

Date: 10th December 2019

Time: 9:30 hrs. – 16:30 hrs.

Venue: Courtyard by Marriott, Andheri- Kurla Road, Andheri East, Mumbai 400059
