

BLACKBERRYS

Blackberrys Presents Masks Collection

Blackberrys, a curator of fine clothing and wardrobe essentials for the quintessential men of today, re-defines men's fashion quotient by offering unique style and comfort at the same time with its capsule collection of face masks. Each of these high-quality masks come with a three-layered protection, anti-dust pollution, 99% bacteria filtration efficiency, comfortable ear loops and adjustable nose wire.

Finely crafted in cotton, the collection features a variety of trending colours and prints that add an extra edge to your look. Catering to the need of the hour, this diverse range of masks is infused with numerous qualities that not only offers comfort but also imparts a confident look with style to the wearer.

The collection starts at Rs. 199/-

Available across all Blackberrys stores and at www.blackberrys.com
