NAVRATRI, PUJO, DUSSHERA FESTIVITIES.

Derived from the Italian word for “lively”, VIVACE from ZODIAC brings alive the colours of the Italian Riviera in this curated collection. That vividly captures the hues for the Indian festive season. Fiery Orange, swiped from a dusky Sicilian sunset. Mediterranean Blue, borrowed from the cornflower covered, cascading hillsides of Italian farmlands, Muted Green from the olive groves in Tuscany.

The Vivace Collection, comprising stripes & checks, is carefully crafted from the Egyptian Giza 86 cotton, woven to a single 60s yarn of an unusually long fibre length. With an exceptionally luxurious “Silk Touch” hand feel (a result of Zodiac’s trademark “Silk Protein Finish”). The legendary Zodiac attention to detail, makes this a must-have festive acquisition in every gentleman’s wardrobe.

Best enjoyed with Zodiac’s classic chinos, linen jackets, bright pochettes and a generous helping of the festive platter.

The Vivace Collection by ZODIAC in "Silk Touch" Cotton is priced at Rs 3,299/-
