INDIA INTERNATIONAL TEXTILE MACHINERY EXHIBITIONS SOCIETY

"40 Years of Spearheading Innovation with Commitment to Quality."

India ITME 2022 will offer unmatched Business Opportunities to the Exhibitors

India ITME announced their 11th Edition to be held in Noida

Mr Hari Shankar
Chairman, India ITME Society

India ITME Society has announced its 11th edition of the textile exhibition which will be held at the India Exposition Mart Ltd, Noida, from December 8th to the 13th, 2022.

There will be 15 halls in a total area of 2,35,000 sq mtrs, making it the largest in this industry segment.

This event is expected to host more than 1800 exhibitors in 22 Chapters and is expected to have over 1,50,000 visitors over the 6 days period.

HIGHLIGHTS OF THE EVENT:

- Developing India as a textile and textile engineered sourcing destination

- Encouraging investments in India for textile machinery manufacturing, therein supporting government initiatives to develop India as a 'manufacturing hub' for textile engineering

- Encouraging new market developments to generate new custom leads from 2nd tier and rural markets for manufacturers

- Facilitating connect to agents, dealers, distributors for overseas markets as well as the domestic market for the manufacturers

India ITME 2022 will offer unmatched business opportunities to the exhibitors as the Indian textiles industry is set for strong growth, buoyed by vast domestic consumption as well as export demand. It will open windows to various business verticals in the form of leads, contacts and enquiries on a huge-scale massive platform.

Participation from 91 countries and 22 chapters, has made Indian ITME a one stop platform for engineering and technical solutions, technology for the textile industry, servicing the whole of the Indian textile industry and building India brand.

About India ITME Society :

India ITME creates an avenue for students to explore placement opportunities with multinational companies functioning globally. It is not only about Textile & Textile Engineering, but ITME functions as a culturally conscious organization promoting all aspects of India as a traditionally rich nation.

The road ahead shall be as challenging, as unpredictable, but India ITME Society shall continue to pursue and strengthen its capabilities to lead the Textile Industry & Textile Engineering to further heights through its ambitious and unique initiatives. Humility of Action, Integrity of Purpose and transparency of Conduct will be the key traits driving India ITME Society's growth and journey forward.
