The Award is presented to companies that have successfully expanded their business footprint overseas and have significantly contributed to the country's export earnings. ColorJet has been recognized for its outstanding performance in expanding its operation globally, thereby contributing to the growth of the country's economy.
ColorJet Group has consistently demonstrated a commitment to quality and innovation in its product and services, which has helped ColorJet, establish a strong reputation in the international market.

While addressing an Award ceremony, the chief minister said, " Uttar Pradesh will emerge as the torchbearer of the fourth industrial revolution (industrial revolution 4.0), adding that this was evident from investment proposals worth ₹35 lakh crores received at the Global Investors Summit held in Lucknow in February.

"MSME itself is going to become the foundation of industrial development of U.P. The Global Investors Summit has decided that U.P. will lead the fourth industrial revolution," he said.

While receiving the Award Mr. M.S Dadu Chairman, ColorJet Group said: "The Award is a testament to the hard work and dedication of the entire team at ColorJet. The company has invested heavily in developing indigenous technology for the world market to ensure that it meets international standards and regulations. This has enabled it to expand ColorJet business in over 30+ countries now.
