C3M-Expo 2024: A Pioneering Exhibition on Colorants, Chemicals, Compliance, and Machinery

SDC International proudly announces the C3M-Expo, an innovative showcase scheduled for November 2024 in Dhaka, Bangladesh. This event is set to spotlight the latest in dyes, pigments, specialty chemicals, compliance standards, and industry machinery, offering a comprehensive view of the sector's future.

Exhibition Overview

Dates: 21st-23rd November 2024
Venue: International Convention City Bashundhara (ICCB), Dhaka, Bangladesh – one of South Asia's premier event locations.
About SDC International
Established in 2001 and based in Bradford, England, SDC International, originally SDC Global Enterprises Ltd, now operates under the aegis of the Society of Dyers and Colourists. With a history dating back to 1884, the company builds on a legacy of innovation and excellence in the coloration industry.

Why Bangladesh?
Bangladesh stands as a global powerhouse in apparel sourcing, renowned for its dynamic market, quality workforce, and competitive edge. The nation's garment exports have seen exponential growth, underscoring its pivotal role in the textile and garment sector.

Event Highlights

Innovative Products: Discover the cutting-edge in dyes and pigments, exploring how these innovations redefine industry standards.
Specialty Chemicals: Delve into a variety of specialty chemicals, showcasing eco-friendly and advanced solutions.
Advanced Machinery: Experience the latest machinery advancements, from production to packaging.
Sustainability Focus: Learn about sustainable practices shaping a greener future for the industry.
Networking Opportunities: Engage with industry leaders, fostering partnerships and collaborative ventures.

Join us at C3M-Expo 2024 for an unparalleled event that bridges innovation, sustainability, and growth in the coloration industry. This exhibition is a must-attend for professionals seeking to stay ahead in the dynamic world of textiles and garments.
