Building Bridges in Textile Innovation: Bangladesh Deputy High Commissioner appreciates LMW's Advanced Manufacturing Facilities

On January 2, 2025, LMW had the honor of hosting **Mr. Shelly Salehin**, **Deputy High Commissioner of Bangladesh** for South India, at its Unit 1 facility.

A Visionary Dialogue on Global Textiles

Mr. M. Sankar, Director (Operations), and Mr. Shelly Salehin had a meaningful discussion on the global textile landscape, exploring synergies between the Indian and Bangladeshi textile industries.

A Tour of Technological Excellence

Mr. Shelly Salehin experienced an exclusive tour of LMW’s state-of-the-art Pilot Plant, where he witnessed the company's latest innovations in smart machinery. From Blowroom to Autowinder, the cutting-edge technologies on display demonstrated LMW's commitment to excellence, automation, and sustainability in textile manufacturing.

Fostering Stronger Ties with Bangladesh

By strengthening collaboration and sharing expertise, LMW showcased its commitment to supporting Bangladesh's textile industry, a vital contributor to the global supply chain.

LMW extends its gratitude to Mr. Shelly Salehin for his insightful discussions. The visit marked a valuable interaction, reinforcing LMW's commitment to strengthening ties with the Bangladesh textile market.
