A Stellar Start for LMW at ITMA ASIA + CITME 2025!

Day 1 at ITMA ASIA + CITME, Singapore 2025 has been truly remarkable for **LMW** as they sealed orders for two mega projects A-Z for different applications.

The orders include a complete A–Z spinning project for speciality yarns and A-Z project on viscose compact spinning.

These partnerships reflect the trust, performance, and innovation that define LMW. As we continue showcasing our latest technologies at ITMA, this milestone reinforces our commitment to crafting smart, sustainable spinning solutions for the future.
