INDIA ITME TECHNICAL AWARDS 2026

Celebrating Innovation. Honouring Excellence. Shaping the Future of Textile Engineering.

India's textile engineering industry continues to redefine the boundaries of innovation and self-reliance. The India ITME Society proudly announces the winners of the 4th Edition of the India ITME Technical Awards 2026, recognizing pioneering technologies, breakthrough innovations, and exceptional contributions that are strengthening India's position as a global textile manufacturing powerhouse.

After an extensive nationwide evaluation process covering multiple regions and sectors, the awards highlighted transformative achievements that exemplify indigenous innovation, sustainability, digital transformation, and engineering excellence. With nearly 70 nominations across six categories, this year's awards showcased the remarkable depth of India's textile technology ecosystem.

2026 AWARD WINNERS

🏆 **Outstanding Eco Technology in Textile Engineering** -Luwa India Pvt. Ltd.

🏆 **Most Successful Make in India Manufacturing Initiative** -Lakshmi Card Clothing Manufacturing Company Pvt. Ltd.

🏆 **Solution-Oriented Indigenous Innovation in Textile Engineering**- Deven Supercriticals Pvt. Ltd.

🏆 **AI Powered Textile Technology**- Artitech Innovations Pvt. Ltd.

🏆 **Best Reliable Supply Chain Partner**- Lakshmi Card Clothing Manufacturing Company Pvt. Ltd.

🏆 **Prominent Young Researcher of the Year 2026** - Isha Gawande, Tanvi Suresh Sankurwar, Tanvanti Sangam Meshram & Rudra Patil For the innovative Solar Powered Silk Reeling Machine project.

Institute: Jawaharlal Darda Institute of Engineering & Technology

🏆 **Titan of Textile Engineering** (Posthumous Recognition) Late Dr. D. Jayavarthanavelu, LMW Ltd.

Grand Recognition Awaits

The winners will be felicitated at the India ITME Technical Awards Ceremony on 6 December 2026 at IEML, Greater Noida, during the prestigious India ITME 2026 Exhibition. The celebration will be preceded by the 2nd India ITME CEO Conclave, bringing together global industry leaders, innovators, and policymakers to discuss the future of textile manufacturing under the theme:

Beyond Capacity: Redefining Global Textile Competitiveness Through Technology and Innovation

The India ITME Technical Awards stand as a testament to the visionaries, engineers, researchers, and organizations transforming ideas into impactful solutions. Together, they are accelerating India's journey toward a smarter, sustainable, and globally competitive textile future.
